

## **New Head of Sales at Meiller Aufzugtüren – Erdinç Özçıtak**

Erdinç Özçıtak was appointed as the new Head of Sales as of January 1st, 2021. Before joining MEILLER he held leading positions in Sales and Product Management at various well-known component manufacturers as well as manufacturers of complete lift systems and acquired in-depth expertise and an international network.

Most recently, he was Global Product Manager Elevator & Escalator for Datwyler Cabling.

With a focus on the customer the lift expert intends to enhance and further develop the accustomed high quality and performance of MEILLER Aufzugtüren. The technical business graduate wants to provide future-proof products incorporating all customer-specific needs and customized solutions with the support of innovative digital products and processes.
